**FILED AND SERVED BY THE COURT'S
ELECTRONIC CASE FILING SYSTEM**

The Honorable William C. Griesbach
Chief Judge
United States District Court for the
Eastern District of Wisconsin

Re: Status Report:
United States and the State of Wisconsin v. NCR Corp., et al.,
Case No. 10-cv-910 (E.D. Wis.)

Dear Judge Griesbach:

Since our last report to the Court on July 1, Judge Goodstein has had more than a dozen separate contacts with the parties as part of an ongoing attempt to reach a mediated settlement of some or all of the claims involved in this case and the related *Whiting* case. Counsel for the Plaintiffs also have had additional direct contacts with counsel for some of the Defendants during the last month. The Plaintiffs believe that additional time for continued discussions is warranted at this point, especially because summer schedules have been and will be impacted by holidays and vacations.

If acceptable to the Court, the Plaintiffs will file an additional status report within five weeks, by September 11, advising the Court on whether additional settlement progress has been made with some or all of the parties and on whether an extended deferral of litigation scheduling may be appropriate.

Respectfully submitted,

Randall M. Stone
Senior Attorney
